***Drones & Fireworks are strictly prohibited.***

## **Thursday May 28<sup>th</sup>, 2026**

**10am to 12noon** **VIP Entrants accreditation ONLY.** We are open at 10am to 12noon for our VIP entrants only, all standard entrants please wait near your car until 12noon when we open for all entrants.

**12noon to 7pm** **Entrants Accreditation for ALL entrants and Safety Inspection Open! Camping Gates open also**  
Registration for Pre Entrants at the BIR office next to the main gate. Entrants please be aware Entrant registration is during these set hours only. Please line up your cars in the outside parking area to the left of the front gate, not in the gas station parking lot. Walk over to the office, please leave someone in your car so it can be moved up the line as other entrants need to get their cars safety inspections finalized and can move on in through the gates.  
Bring your driver's license in with you and have any paperwork that has been emailed to you handy (printed or on your phone).  
Please observe any signage for VIP Entrant & Standard Entrant lines.

**ONLY the registered driver to come to accreditation**, please ask any family or friends to wait in or with the car.

E-Tickets can be scanned in as you drive through the gate on your way in.

After you have completed your paperwork please go back to your car and wave down one of the Powercruise staff who will be wearing yellow staff shirts. Only Powercruise staff can apply your stickers to your car after they have given it a safety check. Then you're good to move through the front gate and to your camping area wherever you like (within reason).

If you have booked a site with hookups through BIR, you will need to see the BIR staff at gate booth.

Have a great and safe weekend. *Gup*

**3pm to 7pm** **Driver Briefing for all entrants under the condos.** You must watch the Driver Briefing Video before you can drive on track. Only drivers to attend drivers briefing any crew or friends please wait outside.

**TIP for Entrants – you can arrive anytime between 12noon and 7pm**, please consider arriving after the opening rush. If you arrive at 12noon it's like Powercruise peak hour, if you arrive after 3pm the waiting times are much shorter! BIR is a huge place, there is plenty of room for everyone, so you do not have to be first in the gate to get some space! If you want a great camp spot consider sending in 1 camper to mark out your spot from 10am as gates are open for all campers.

Follow us on Facebook POWERCRUISE USA for regular updates & Event Coverage.

Tune into the Announcers on BIR radio 105.3fm/87.9fm

**Drones are NOT permitted, any drones flown at the event will be confiscated until Sunday afternoon – so please do the right thing. NO FIREWORKS at any given time during Powercruise Events!**
